

Captain's Report

Happy New Year to you all and welcome to a new year to all who have renewed their subscriptions and to the new members who have joined the club in January.

I am pleased to see that members have taken the option to use the new direct debit scheme, run by the club. Membership remains positive and the numbers have exceeded our budgeted expectation

Work has begun on the staff toilets and will soon begin on the men's members toilets.

Diaries are a nightmare, the company went into liquidation after Christmas and did not honour their obligation to us and their other customers. We have instructed a new company and hope to have diaries ready for the 1st February.

The weather in continuing to be quite mild, which is allowing the green staff to forge ahead with the winter program and have the course in good shape for the spring.

We have entered the Mail on Sunday National Golf competition, which is a knockout competition, played regionally to begin with and then nationally. The winners going through to the quarter-finals, which will be held at the El-Rompido Golf Club in Costa De La Luz-Huelva Spain, all expenses paid. We require a team of five, played in singles, full handicap, match play. Our first round is at home on Sunday 29th January.

Thank you for your support and understanding, I am looking forward to an excellent year of golf and social activity.

Dave Price

Captain
